DCL - Acne Remedy Duo

Product ID: 18658

Stop blemish formation in it's tracks... This potent combination of acne prone skin products has been hand-selected to prevent breakouts.

Receive a bundled pack of full-size

Beta Hydroxy Acne Cleanser &
AHA Oily and Acne Solution 8.

Beta Hydroxy Acne Cleanser is formulated with salicylic acid which helps absorb excess oil while cleansing away dead skin cells on the surface of the skin and reducing the pH of the skin in preparation for the second part of the system which is:
AHA Oily and Acne Solution 8

AHA Oily and Acne Solution 8 is a concentrated glycolic acid based exfoliator which you leave on the skin overnight to dry up existing acne blemishes, exfoliate dead skin cells that can clog pores, and prevents new acne pustules from forming.

•• Excellent Duo for teen and young adult skin ••

Retail Price: \$25.10

Usage:

AHA Oily and Acne Solution 8: After cleansing and drying skin thoroughly, apply liberally twice daily or as recommended with a cotton pad.

Beta Hydroxy Acne Cleanser: Wet Area. Add water to cleanser and work up lather. Apply gently to all affected areas. Rinse well and pat dry.

DCL - Active Cleanser

Product ID: 25541

Active Cleanser is designed to refresh and purify oily and acne-prone skin. Salicylic and lactic acids deeply cleanse the pores to remove blemish-causing bacteria and dead skin cells. Botanicals nourish and calm the skin to diminish the appearance of existing breakouts. Active Cleanser works without over drying or irritating the skin, leaving it comfortable and bright. The skin is pure, calm and ready for the next steps of your skin care regimen.

Retail Price: \$18.20

Retail Price: \$36.00

Usage:

After cleansing and drying skin thoroughly, apply to face and neck morning and night.

**DCL - Clay Mint Mask**

Product ID: 17025

This refreshing mask containing bentonite will help clean pores, absorb excess oil and improve the texture and tone of the skin. It will help remove blackheads. A truly excellent acne product.

Retail Price: \$12.50

Usage:

After cleansing apply to face, avoiding eye area. Leave on 10 minutes or until dry. Rinse off with lukewarm water. Pat dry and apply a moisturizer if desired.

DCL - Clearing Hydrator

Product ID: 17066

The Clearing Hydrator provides moisture retention without clogging pores, leaving skin healthy and hydrated.

Retail Price: \$20.40

Usage:

Cleanser face thoroughly before applying cream. Apply all over face once a day in the morning.

DCL - Daily Moisture SPF 15

Product ID: 17052

This daily moisturizer combines hydration with Vitamins A,C and E for enhanced antioxidant protection. This product protects against both UVA and UVB radiation.

Retail Price: \$18.20

Usage:

Apply liberally 20 minutes before sun exposure and as often as needed. Children under 6 months of age, consult your physician before use.

DCL - Dry Skin Hand and Body Lotion

Product ID: 17034

Distinctly effective lotion containing both urea and lactic acid. Will soften keratin and help to moisturize dry skin. This fragrance-free, greaseless lotion forms an invisible barrier to prevent excessive moisture loss through insensible perspiration.

Retail Price: \$14.00

Usage:

Apply to all dry areas of the body as often as needed.

DCL - Essential Skin Protection SPF 30+

Product ID: 17047

Antioxidant Complex, UVA/UVB Protection, and water-resistant. A strong combination of antioxidants formulated with Vitamin E Polypeptide to aid in moisturizing and Aloe Powder, Panthenol and Allantoin to soothe exposed skin. Offers complete UVA/UVB protection.

Retail Price: \$29.70

Usage:

Apply 30 minutes prior to exposure to the sun. Reapply after bathing or excessive perspiration.

DCL - Eye Refining Matrix- Anti Aging System

Product ID: 17043

Reduce fine lines, reduce puffiness, moisturize, alleviate dark circles, and acts as an antioxidant. Addresses all concerns of the eye area. Pentacare will reduce fine lines and puffiness while concentrated Arnica Extract will help to alleviate dark circles. Combines the antioxidants Vitamin C and Green Tea Extract plus a significant dose of Hyaluronic Acid for moisturizing.

Retail Price: \$31.00

Usage:

Gently apply a small amount to the eye contour area. Recommended for a.m. and p.m. use.

DCL - Facial Hydrating Cream (Facial Moisturizing Cream)

Product ID: 17033

This formulation incorporates several proven dermatologic cosmetic ingredients to re-hydrate the upper layers of the epidermis by assisting it to hold more water. With repeated use, the skin will look and feel smoother and softer. It works very well for mature skin needing an enriched moisturizer or younger skin needing a night cream.

Retail Price: \$14.40

Usage:

Apply sparingly to damp skin after thoroughly cleansing during the day or at bedtime.

DCL - Glycolic Acid Pads 10%

Product ID: 17060

Glycolic acid pads help to refine dull, lifeless complexions, even skin tone, and unclog pores by stimulating the exfoliation of the epidermis.

Retail Price: \$24.00

Usage:

Apply to clean skin. Smooth pad over face avoiding eyes and lips and allow to set on skin for 20 minutes. Rinse thoroughly. After 3 weeks of use, pending skin tolerance, treatment can be left on without rinsing. Dispose pad after single use. Can be used every other day, up to 3 times per week, or as recommended by your physician. Follow with sunscreen in the morning and moisturize in the evening.

DCL - Glycolic Acid Pads 20%

Product ID: 17008

Exfoliating treatment designed to be an at-home mini-peel. Pads easily sweep away dead, dull skin cells, permitting new healthy cells to take their place. With a pH of 2.5, this product is much more active than the daily AHA leave-on products and not as aggressive as a true glycolic peel. Perfect for use with anti-aging and acne treatment regimens.

Results:

- Reduction in the appearance of fine lines and wrinkles
- Leaves skin with a smoother, clearer appearance
- Enhances absorption and effectiveness of additional treatment products.

Retail Price: \$29.00

Usage:

Use as directed by your physician. Usually three times per week. Wash hands after use.

DCL - Hair Strengthening Shampoo

Product ID: 17075

DCL Strengthening Shampoo with ceramide-3 helps to repair and strengthen dry, damaged hair and scalp. Wheat protein and amino acids build hair strength and shine.

Gentle enough to be used daily.

Retail Price: \$14.00

Usage:

Wet hair thoroughly and massage into scalp. Rinse thoroughly with tepid water. Follow with conditioner of choice.

DCL - High Potency Body Lotion

Product ID: 17035

This high potency formula will rehydrate and soften severely dry skin. It is an excellent alternative to our Dry Skin Hand and Body Lotion for those who require a more aggressive moisturizing approach. It contains a unique combination of proven ingredients and is both non-irritating and non-comedogenic.

Retail Price: \$14.50

Usage:

Apply to affected areas as often as needed.

DCL - High Potency C Scape Serum 25

Product ID: 17048

A unique, high potency serum with 25% Vitamin C. Daily use of High Potency C Scape Serum 25 can reduce visible signs of aging, making your skin feel and look younger within weeks of your first application. Vitamin C Complex benefits your skin by - giving your skin a younger-looking more radiant tone, facilitating production of appearance-enhancing collagen, and by improving skin firmness and texture.

Retail Price: \$49.20

Usage:

After cleansing and drying skin thoroughly, apply to face and neck morning and night.

DCL - Hydrating Serum

Product ID: 17046

Moisturizes, increases cell turnover, and enhances metabolic activity. Combines a powerful dose of Hyaluronic Acid that is additionally enhanced by Tissue Respiration Factor, which increases cell oxygenation. A triple seaweed blend is added to increase hydration and cell turnover.

Retail Price: \$40.70

Usage:

Apply sparingly to face and neck a.m. and p.m.

DCL - Hydrating Treatment Mask

Product ID: 25040

Replenishes hydration to dry, uncomfortable skin.

Retail Price: \$10.80

Usage:

Apply generously to face and neck. Leave on 10-15 minutes. Rinse with warm water. Use 2-3 times per week or as needed.

DCL - Hydro-Lipid Body Oil with grapeseed oil

Product ID: 17074

DCL has launched Hydro-Lipid Body Oil, a lightweight body oil formulated with grapeseed and vitamin E that relieves roughness, cracking, flaking and peeling.

The formula is non-greasy, with a light, lavender fragrance and leaves skin feeling fresh and silky to the touch. Hydro-Lipid Body Oil can be used after showering or in the bath for added softness. It soaks easily into the skin and rehydrates the body with moisture.

Retail Price: \$17.00

Usage:

Shake Well before use. After shower or bath: spray and massage until absorbed. In bath: add 2 tablespoons. In shower, spray generously to skin, massage and rinse.

**DCL - Neutral Cleansing Bar**

Product ID: 17021

A gentle, long-lasting glycerin based soap with humectants to hold moisture and protect skin.

Retail Price: \$4.60**Usage:**

Wet skin and lather. Rinse well. can be used for face and body.

**DCL - Nighttime Treatment**

Product ID: 17067

The Nighttime Treatment fights acne while nourishing skin with multi-vitamins and soothing botanicals during sleep.

Retail Price: \$20.40**Usage:**

Cleanse face thoroughly before applying cream. Apply all over face once a day in the evening.

**DCL - Non-Drying Cleansing Lotion**

Product ID: 17018

Specially formulated for sensitive skin, dry, or damaged skin. Soapless cleanser cleans without drying or irritation.

Retail Price: \$10.70**Usage:**

Apply a liberal amount to skin surface. Massage gently to liquify and remove dirt and other impurities. Rinse thoroughly and pat dry.

DCL - Oil-Free Ultra Light Hydrator

Product ID: 17031

This unique, oil-free, fragrance-free moisturizer rehydrate the skin and is especially formulated for patients with oily skin and/or acne conditions. Also ideal for patients on Retin-A or Accutane. When

used with makeup, this moisturizer will allow makeup to go on smoothly.

Retail Price: \$14.40

Usage:

After thorough cleansing, gently massage a small amount into damp skin.

DCL - Peptide Plus Eye Treatment

Product ID: 17010

Multi-functional and targeted peptides address the signs of aging in the delicate eye area including puffiness, dark circles and the appearance of fine lines. Antioxidant complex protects the skin from daily environmental induced oxidative stress while a super hydrating complex provides immediate and long-lasting barrier protection to soften and replenish lost moisture. Fragrance-free.

Retail Price: \$45.00

Usage:

Gently Apply a small amount to the eye contour area, concentrating on areas that show signs of aging. Use 1-2 times daily or as directed by your physician.

DCL - Peptide Plus Treatment Serum

Product ID: 21261

This exceptional serum features a penetrating matrix of four powerful peptides, plus four anti-aging complexes. It addresses fine lines and wrinkles, sagging skin, uneven skin tone and dryness. It also targets free radical damage and skin dullness with antioxidants, cell regenerators and melanin inhibitors. This sensational formulation truly rejuvenates the complexion for a younger appearance. With regular use, wrinkle depth is reduced, firmness is improved and the skin exhibits resiliency, radiance and suppleness.

Retail Price: \$76.00

Usage:

Apply to clean dry skin on the face and neck. Use 1-2 times daily or as directed by your physician.

DCL - Post Peel Quick Recovery

Product ID: 18663

This anti-inflammatory treatment and super hydrator is especially gret for use after a laser or chemical peel, microdermabrasion, accidental sun burn and prescription treatments that may dry the skin.

Retail Price: \$38.50

Usage:

After treatments, apply 3 times per day for as long as redness and irritation exists.

DCL - Profoundly Effective A

Product ID: 17037

This moisturizing beauty cream is formulated with a very special analog of Vitamin A and retinyl palmitate polypeptide. Its properties include anti-keratinization, increase in skin elasticity, thickening of the epidermis and reversal of photo damage. This formula is free from the negative effects associated with retinoids.

Retail Price: \$14.50

Usage:

After cleansing and drying skin thoroughly, apply to face and neck morning and night.

DCL - Salicylic Acid Shampoo

Product ID: 26376

Salicylic Acid Shampoo gently sheds dead skin cells and helps prevent cell buildup while conditioning the scalp. Can also be used as an effective body wash for the chest and back.

Retail Price: \$16.40

Usage:

Wet hair thoroughly, pour into palm, rub hands together and massage into scalp to form a rich lather. Leave on 3-4 minutes. Rinse thoroughly. Repeat if desired, leaving on 1 minute. For best results use at least twice a week or as directed by a doctor. Follow with DCL Strengthening Conditioner.

DCL - Skin Brightening Complexion Treatment

Product ID: 29210

Brightens skin complexion. Diminishes the appearance of brown spots. Improves skin texture.

This advancement in skin pigmentation science combines a skin brightening peptide, melanin inhibitors and botanical extracts for skin color and texture improvement. Bio engineered to restore radiance and decrease roughness of skin's surface while assisting in the reduction of hyperpigmentation and protecting against future discoloration.

Retail Price: \$40.00

Usage:

Apply 1 to 2 pumps to clean, dry skin on the face and neck. Use 1 to 2 times daily or as directed by your physician. For best results, we recommend following with DCL sunscreen.

DCL - Skin Freshener Alcohol Free

Product ID: 17073

A light, clean, alcohol free toner that removed excess dirt, makeup, and residue after cleansing the skin. Preparing the skin for the treatment product in the DCL line by reducing the pH of the skin allowing for better penetration. Reduces the look of pores and gives skin a refreshing sensation.

Retail Price: \$10.90

Usage:

Apply after cleansing skin. Apply product with a cotton ball to entire face and neck to remove any additional dirt, makeup, or oil and to tone the skin preparing it for the next step in the treatment process.

DCL - Skin Renewal Complex SPF 20-Anti Aging System

Product ID: 17044

A combination of 10% Glycolic Acid with Willow herb Extract to mitigate irritation, Green Tea Concentrate, a powerful antioxidant and a SPF 20 with complete broad spectrum UVA/UVB protection. For A.M. use.

Retail Price: \$52.90

Usage:

Apply a small amount to face and neck. Avoid eye area. A mild tingling sensation may occur. Recommended for daytime use.

Apply to wet hair from scalp to ends. Leave on for one minute and rinse thoroughly.

DCL - Super Rich Eye Cream
Product ID: 17023

Contains emollients and humectants that work deep into the surface skin cells around the age-prone eye area to help minimize fine lines and puffiness.

Retail Price: \$23.20

Usage:
Gently blend a small amount of cream into dry areas around the eye.

DCL - Super Sheer Sunscreen SPF 50+
Product ID: 25540

Broad spectrum protection, combines high UVB absorption and powerful UVA blockage in an elegant silky sheer, matte finish, leaving the skin residue-free. The superb photo protective performance of ultra microfine zinc oxide contributes to the high SPF protection while supplemental antioxidants safeguard skin from environmental free-radical damage.

Non-whitening, PABA- free and fragrance-free for all skin types.

Retail Price: \$24.00

Usage:
Apply liberally 30 minute prior to sun exposure and as often as needed.
Reapply after towel drying, swimming, perspiring, or every 2 hours.

DCL - T-Shampoo
Product ID: 17028

Specially formulated with 3% Solution Coal Tar for common dandruff, dryness and itching of the scalp. The hair will be left soft and manageable. A conditioner may be used after rinsing, if desired.

Retail Price: \$14.40

Usage:
Massage a liberal amount into wet scalp for 3-5 minutes. Rinse, repeat shampooing and rinse again.

DCL - Ultra Gentle Eye Cream
Product ID: 17022

Fragrance-free and compatible with eye makeup, it contains emollients and humectants that work deep into the surface skin cells around the age-prone eye area to help minimize fine lines and puffiness.

Retail Price: \$12.80

Our Price: \$11.50

Usage:

Gently Blend a small amount of cream into dry areas around the eyes.

DCL - UVA/UVB Chemfree Superblock SPF 30

Product ID: 17071

UVA/UVB Chemfree Superblock has been formulated to offer excellent broad spectrum protection to even the most sensitive skin. This sunblock contains no chemical sunblocking agents. Very water resistant zinc oxide (Z-Cote) SPF 30. Retains SPF after 80 minutes of activity in the water or perspiring.

Retail Price: \$29.70

Usage:

Apply liberally to skin 30 before exposure to sun. Smooth evenly on all exposed areas. Reapply after swimming or excessive perspiration.

Cautions:

For external use only. Not to be swallowed. Keep out of the reach of small children. Avoid contact with eyes. If irritation develops, discontinue use. Children under 6 years of age consult a physician.

DCL - UVA/UVB SPF 25 Moisturizing Cream Sunscreen

Product ID: 17068

An effective, waterproof sunscreen with Parsol 1789, formulated in a rich, moisturizing cream base with an SPF of 25. Regular, long term use may help to prevent premature aging and wrinkling of the skin and skin cancer due to overexposure to the sun. May effectively be used under makeup as well.

Retail Price: \$14.00

Usage:

Apply liberally to skin 30 before exposure to sun. Smooth evenly on all exposed areas. Reapply after swimming or excessive perspiration.

DCL - Vitamin Infusion-Anti Aging System

Product ID: 17045

Triple antioxidant protection. The most efficacious blend of vitamins ever developed with Vitamin C, renowned for its ability to increase collagen synthesis. Vitamin E to moisturize from within, and Vitamin A to aid in the reduction of fine lines.

Retail Price: \$52.90

Usage:

Apply sparingly to face and neck. Recommended as a nighttime treatment.

DCL - Wash Off Cleansing Lotion

Product ID: 17019

A unique formulation for normal to oily skin. A gently drying cleansing lotion which dissolves the oil and waxy debris that builds up in the pores.

Retail Price: \$13.70

Usage:

Wet the skin. Apply a sufficient amount of Wash-Off Cleansing Lotion to work up a rich lather.

Wash thoroughly then rinse well and pat skin dry.

DCL - YQ Stratum Bio-Transformed Anti-Aging Factor

Product ID: 17053

YQ Stratum Bio-transformed anti-aging factor. This patent-pending active complex is clinically proven to facilitate the regeneration of skin cells and reduce visible signs of aging. YQ Stratum is a bio-engineered cellular composition that stores a network of super anti-oxidants in the cell membrane and facilitates the transport of these free-radical quenchers deep into the bi-layer membranes of the skin cells.

Results:

- Visible improvement in skin texture, clarity & smoothness after only 7 days
- Reduction in the appearance of fine lines & wrinkles after 30 days
- Improved elasticity & tone of skin after 30 days

Retail Price: \$80.00

Usage:

Directions for use

After cleansing and drying your face, apply YQ Stratum generously. Continue massaging into skin until product is absorbed. Apply an even more generous layer around problem areas.

Normal to Dry skin - Apply twice daily morning and night.

Normal to Oily skin - Apply once daily at night

DCL - Zoma Shampoo

Product ID: 17029

Zoma Shampoo is a special conditioning 1.9% zinc pyrithione formula shampoo which helps control itching and scaling of the scalp. It is particularly effective in common dandruff.

Retail Price: \$14.40

Usage:

For best results, use at least twice a week or as directed by a doctor. Wet hair thoroughly, pour into palm; rub hands together to form a rich lather and massage into scalp. Rinse thoroughly. Repeat if desired.
